## **REVISED BIKE ROOM POLICY, 2018**

We are pleased to announce that the new Bike Room will open on January 8, 2018. **The Council has revised the policy that was distributed earlier this month.** Please see the below policy and attached forms which must be completed and returned if you wish to store

This year you will have two choices for bike storage:

### **1. Bike Room Storage.**

This is the traditional option. You will be issued a key to the new room upon payment of the appropriate rental plus key deposit. The key deposit will be refunded to you when you terminate your lease by removing your bike(s) and returning the key(s) to the Management Office or the Resident Services Desk. In order to receive a return of the key deposit, you must obtain a written receipt from the staff member who takes your key(s). Please be sure that the receipt is dated, states the number of keys returned and that the staff member's name is clearly legible. The rental cost for this service for the year 2018 is \$36.00 per bike. **There is a limit of two (2) bicycles per unit, pending capacity.**

### **2. Apartment Storage.**

As in the past, you may continue to store your bike within your residential unit at no cost to you. However, HHOA reserves the option of requiring you to transport your bike to and from your apartment via the freight elevator.

We thank you for your patience and hope that our new bike program serves your needs.

Please feel free to address any questions or comments to our Manager, Ross Shelter, at [ross@camcomgmt.com](mailto:ross@camcomgmt.com), or to Council at [hhoacouncil@hotmail.com](mailto:hhoacouncil@hotmail.com), or to both.
